

## Volunteer Opportunities

**YOUR VOLUNTEERING COUNTS!**

### Volunteer with Your Voice Counts

**Your Voice Counts** is a local charity that supports people with learning disabilities, autistic people and people who are at risk of exclusion due to disability, illness or other challenges. We help people to be connected, to have choice and control in their lives, and to speak up for what they want and need.

#### Our volunteer roles:

- 121 support (crisis and community connection)
- Drop-ins, social groups and group activities (online and in person)
- Employability support
- Involvement work (focus groups, peer-led training and quality checks)
- Advocacy roles
- Admin tasks, fundraising and research projects.

**We're always keen to welcome new volunteers to our team too, so if you're interested in volunteering with us in a different role, we'd love to hear from you!**

**Why volunteer with Your Voice Counts:** we offer a supportive environment where you can develop your own skills and experience and feel good about making a difference. We provide training and certificates and you'll be supported by our Volunteer Coordinator and staff team. We believe in co-production and encourage people with lived experience to volunteer with us.

Get in touch if you're interested in finding out more!
