

Role: Director (voluntary, unpaid, reasonable expenses covered)
Location: Gateshead
Time Commitment: 12 Board meetings per year, plus work in between with the executive team (approx. 1-2 days per month)

The Board of Directors at Your Voice Counts are looking for people to join the Board on a voluntary basis to assist with the leadership of the charity.

This is an exciting opportunity to join an established Board and will include working alongside Directors with learning disabilities.

We've recently said goodbye to some long-standing Board members and would like to recruit people to support us to work towards building an inclusive society that is understanding of the needs of all, with communities that are welcoming and supportive, where people have the opportunity to live their best life.

We're an evolving, ambitious, enterprising organisation, and we're interested in talking to people from any sector who are team players and are passionate about what we do. We're particularly keen to recruit people with knowledge or experience in one or more of the following areas:

- Equality, diversity and inclusion
- Business development and fundraising, in particular relationships with businesses
- Risk management and or safeguarding (to chair our Operations and Governance sub-committee)

About Your Voice Counts

We are a growing organisation that helps vulnerable people find a voice and gain control over their lives.

We believe that a society that recognises that people with different needs and abilities all have valuable contributions to make is better, fairer and richer for everyone.

We aim to help the people we support to **speak up** for what they want and need, to be better **connected** to their communities, and to have **choice and control** in their lives.

We do this by running advocacy services, supporting self-advocacy and user-led groups, and through a range of community-based services that support people to improve their circumstances.

Underpinning everything we do is a belief that people with lived experience of services are best placed to design the solutions that meet their needs. This extends to our Board where we have a number of people who have used our services, including people with learning disabilities, as active members of the Board.

Our values guide how we work and we are all responsible for putting these into practice every day:

- **Being accountable** – We are honest and take responsibility for our actions.
- **Being person-centred** – We put people's needs first.
- **Learning and growing** - We challenge ourselves and each other to help us get better at what we do.
- **Promoting equality** – We work to get equal opportunities for everyone.
- **Working together** – We achieve more by working as a team than by acting alone.

We are looking for people who are passionate about our mission to join our Board of Directors.
